

**Extended abstract submission:** Indicate here if this is for the Poster or Oral symposium

**Abstract Title:** ADD TITLE HERE

**Contributing Authors:** Add ALL contributing authors here. \*Underline the name of the author who is competing/ submitting this abstract.

**Author Affiliations:** Add name of institute/universities here, Pity, Province, Country here. Number the affiliations for authors if locations vary.

**Mini-abstract (word count 50 words max):**

This brief mini-abstract should explain the key findings of the research in 1-2 sentences

**Extended Abstract (1000 words max):**

The main abstract should include a brief introduction and background of the research to be presented, brief approaches and methods, the results and discussion of the main findings as separate paragraphs in this section. The main abstract text should not exceed 1000 words. Figure captions, tables, and references, do not count towards the 1000 words. In text reference citations in this section should be formatted as follows: (First author last name et al. YEAR) and then list this reference citation fully in the "Literature Cited" section below.

Please cite/ refer to any Figure/Table in the main text, and number them in order of their appearance where appropriate so the reader can follow the results.

**Literature Cited (no word limits):**

Example:

Lin, A.E., and Davies, J.E. 2007. Occurrence of highly fluoroquinilone-resistant and methicillin-resistant *Staphylococcus aureus* in domestic animals. *Can. J. Microbiol.* 53(7): 925–929.

**Add figures and tables below (no word limits).**

A maximum of 4 figures or tables total can be included. Avoid exhausting multi-panel figures that exceed 6 panels (when possible) in one figure or multi-page spanning tables. All fonts used must be legible at 100% zoom (try not to use fonts below size 8 in figure images).
